**Providing
challenging
activities in
a fun and safe
environment**

AREA 51 - FAMILY ENTERTAINMENT CENTRE
51 Kingston Road, Underwood
events@area51bne.com
(07) 4351 5151

BENEFITS OF SPENDING YOUR DAY AT AREA 51:

ENVIRONMENT

Is it just us or does it seem like every time you plan a day out ,
the rain ends up coming down on your parade?

At Area 51 we eliminate the weather's forecast, rain, hail or shine,
our doors are open and ready to welcome you into the center!
With comfortable air conditioning and many diverse experiences
and obstacles that will certainly get them excited to explore.

LEARNING THROUGH PLAY

Our center encourages structured risky play and compliments the Early
Years Learning Framework by supporting the development of skills and
processes. At Area 51, your child can learn problem solving, inquiry,
experimentation, hypothesising, researching and investigating.

SOCIAL INTERACTION

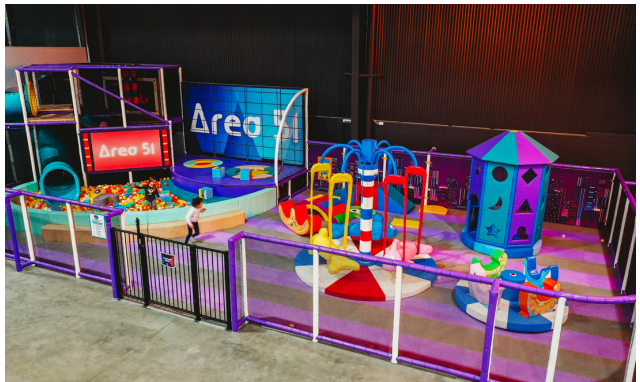

Connecting with others isn't just for little people but
for grown ups too, Area 51 has a wide range of classes available to
connect like-minded children and adults together. Social connection
can improve a child's verbal and non verbal communication and
not to mention leave big smiles on faces!

PHYSICAL WELLBEING

Children are able to become confident and involved learners when
it comes to gaining responsibility for their wellbeing. Structured risky
play opens up the opportunity for children to explore their limitations
while comfortably pushing boundaries to discover their capabilities.

TODDLERS

Purpose built for little ones aged up to 2 years

PRESCHOOLERS

Mini Rovers (Main Playground). Perfect for 3 – 4 year olds.

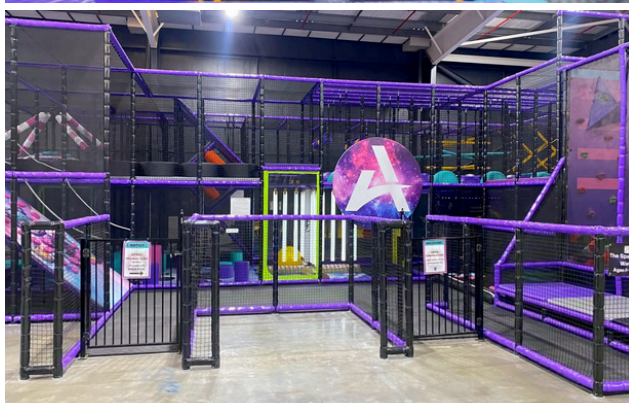

PRESCHOOLERS

The Launchpad Trampoline Park. Perfect for 3 – 4 year olds.

KIDS

Kids 5 years and older can access all standard activities!

KIDS

Kids 5 years and older can access all standard activities!

TEENS AND ADULTS

Adults can play alongside the kids or without them - height and weight restrictions apply.
